

Build a Launch-Ready Rental Catalog

Choose which inventory to publish first so renters see a useful, accurate catalog instead of a large collection of unfinished listings.

COMPLETION CHECKLIST

- ☐ Core categories are represented.
- ☐ Every published item can actually be fulfilled.
- ☐ Photos are current and item-specific.
- ☐ Prices and quantities are current.
- ☐ Fulfillment information is complete.
- ☐ Near-duplicate listings are intentional and understandable.
- ☐ Drafts are kept out of the public catalog until complete.
- ☐ The catalog has been reviewed from a renter's perspective.
